The Registrar  
University Adelaide

Dear Goun of the 7<sup>th</sup> to hand  
I herewith enclose you cheque  
£15 0 0 which is all I am  
able to pay at present.

I regret to say things are in  
a very bad state. The Crops  
are very poor indeed and  
consequently the farmers with  
whom I have been trading  
are unable to meet their  
engagements with me and  
if things do not alter  
I am afraid there will  
be no alternative but to clear  
out. Trusting you will  
accept this sum of my  
rent.

Yours Truly  
R. G. Catterden
