To the Registrar
Sir,

I have a pupil whom
I wish to enter for the
Junior Exam for Prac-
tice of Music. She
passed the same subject
in the Primary last
year.

I find that the exam.
on the Rudiments of

Music is over; is it not possible for her to enter the exam. in November?

I had only a last year's year book to refer to, and did not gather from ~~that~~ that the last named exam. would be held months before the Practice.

Sincerely yours
(Miss) M. E. Counsell
