Sir

We understand that a discussion is taking place re the change of the Preliminary and Junior Literature Text Book "Marmion". It may assist you in your determination - not to change - when you know that our shipment is now on the water, having been despatched on Oct 9th. (1000 c's for Prelim. & 500 c's for Junior)

We trust the Council will not alter the books, on this account.

Faithfully,
E. S. Wigg & Son
